TRUCKEE WILL HAVE NEW STREET

Not Incorporated, Truckee Loses In Fund Allocation

Half of $90,400,000 Fund Is Spread to Counties, Rest to Cities

Nevada county and the cities in the county can get $351,010 out of the $90,400,000 appropriation just made by the legislature with the enactment of the "construction and employment act", California Taxpayers' association said today, making public its analysis of the provisions of the new legislation, which will take effect 91 days after the session ends.

Under the terms of the act, the county's share will be $278,000 and the cities' Grass Valley $51,096 and Nevada City $21,914.

Truckee, being an unincorporated area, does not share in the allocations to cities.

Of the $45,000,000 for counties, one-third is set up for road and highway purposes in unincorporated territory and two-thirds for construction of projects such as hospitals and sanitariums, detention homes, schools, sewage facilities, sanitation facilities, roads, hghways, fire protection and prevention, flood control and harbor facilities.

MANY AMENDMENTS KILL GAME BILL IN SENATE SESSION

The proposed appropriation of some $95,000 for improvement and enlargement of the two Lake Tahoe fish hatcheries, a series of check dams along local streams and sundry other improvements for the sportsmen in this area has gone with the wind.

The state senate this week killed the Swing Bill providing $5,500,000 for fish and game propagation and conservation at Sen. Ralph Swing's request when the bill was sent back to committee.

The upper house adopted so many amendments to the bill that the principal purpose would be seriously handicapped, Swing said.

HOOLEY STRESSES NEED FOR SPACE IN SUMMIT AREA

Gordon Hooley of Sugar Bowl reported a serious lack of parking space on Donner Summit for ski enthusiasts at a meeting of the Sacramento Valley Council of the California State Chamber of Commerce on February 13 in Sacramento.

He stated that the development of garage space for those staying overnight in the area is likewise urgently needed. Guerdon Ellis, supervisor of Tahoe National Forest, informed the committee that the Donner Summit area is rapidly becoming the most popular ski area in the U. S. He outlined development plans of the forest service, the execution of which hinges upon congressional approval of an appropriation now pending.

Snow Falls To End Long Cold Snap in This Area

After several weeks of clear and unusually cold weather, a new storm swept in over Donner Summit last night and brought snow to add to the already heavy pack which blankets the Sierra. Chains are required on all vehicles traveling Highway 40 over the Sierra.

Curtis, Hereford Start Trucking, Coal Business

A new local industry was announced this week when E. Y. Curtis and M. A. Hereford revealed that they are starting a trucking service in Truckee. They said they will haul large or small loads anywhere.

They are also in the coal business and are making local deliveries.

Tahoe Man Is Released From Submarine Service

LAKE TAHOE— Harold D. Stark, until recently a chief quartermaster in the navy, is back at his Tahoe home following his discharge at Lido Beach, Long Island, N. Y. Stark has served on four different submarines during the war with little shore duty. He holds the Good Conduct medal and 1 star; Asiatic-Pacific ribbon, 2 stars; Philippine Liberation, 1 star; American Defense, 1 star; Victory medal, combat pin and American Theater ribbon. Before entering the service, he wa employed by Standard Oil of California.

Skis in New England—

George Kamp, in the navy, wrote home that he arrived at Newport News, Va., and was looking forward to ten days leave that he expects to spend skiing in Massachusetts while visiting at the home of a friend.

Birthday Party—

Mr. and Mrs. L. E. Kelly of Roseville were guests Saturday of Mr. and Mrs. H. B. Fowler. A birthday party for Kelly was given at the Sportsmen, Truckee Resort.

It is our firm conviction that there should be a tightening of the motor vehicle laws, more stringent enforcement and stiffer penalties for those convicted. The hazard of motor vehicles grows almost daily while laws designed for a decade or more ago still prevail with few minor alterations here and there, none of which are apparently resulting in the desired reduction of accidents. One of the more lurid examples of what we are driving at is the case of a Sacramento man arrested recently after evading officers since Christmas when a car which he was driving allegedly struck down a war veteran, wounding him badly. The driver then is accused of dragging the victim into the high grass and weeds along the highway where he was left to die of exposure and lack of attention. The state has spent hundreds of dollars bringing this suspect to justice. Prosecutors contend that they have an iron-clad case against the man and he is being held on two counts of hit and run, which carry a penalty of from one to five years. If the full extent of the law was imposed against this man he could not possibly get more than 10 years in prison. This is hardly probable under current punishment procedure. Then with the usual scores for good behaviour, etc., he could be out again in half that time. The man he struck was innocent of any crime, so far as can be learned, and yet he was killed outright. We do not believe in the old Mosiac law of an eye for an eye, but we do believe that punishments should be given to fit the crime. The suspect says he was so drunk at the time of the accident that he didn't know what happened. That sounds like a pretty lame alibi but it has worked before.

The reorganization of the Truckee Outing Club is a splendid thing. Truckee, being in the heart of the winter sports area of the Sierra and itself the pioneer skiing location of the west, is a perfect setting for such an organization and we wish the club all possible success.

GAME BIRD DINNER ENJOYED BY ROTARY CLUB AT SPORTSMEN

The Rotary Club met at Truckee Resort Monday night, dining on pheasant raised on Gifford's Game Farm. The main speaker was Miss Kathleen Starratt who served during the war with the Red Cross in India where she took some very educational color pictures which were shown as lantern slides with an explanatory talk.

Guests were William Rindfleisch, Brockway; Ernie Dugan and Marion Follett, Truckee; Ernie LuPire, Soda Springs. Art Couillard presided and W. W. Boorman was program chairman.

DANCE SATURDAY HEADS AGENDA AT BUSY LEGION MEET

Final plans for the Washington's Birthday dance here Saturday were made at the Tuesday night meeting of the American Legion here. The dance will be on Saturday night at the Veterans' Memorial Hall in Truckee.

At the session the Legion went on record as being strongly in favor of the project to bring a branch of the county hospital to the Truckee area. Leroy Wilson was named as the post's representative on a civic planning committee for the project.

Discussion was held on a small-arms shooting range in the hall and the post voted to purchase from surplus property stores rifles for ceremonial work.

Wyethia Library Group Picks Ten Best on Shelf

Members of the Wyethia Women's Club committee chose for this week's good reading ten books from the shelves of their library:

Those Other People, O'Donnell; Heartwood, Downes; The Townsman, Sedges; A Lion in the Street, Langley; Crescent Carnival, Keyes; The Bolinvars, Bayliss; Night Unto Night Wylie; A Tree Grows in Brooklyn, Smith; Storm to the South, Strabel; Green Dolphin Street, Goudge.

On Business—

Mr. and Mrs. Harold Langille were Sacramento business visitors yesterday.

Attends Meet—

Bill LaMarr attended a game wardens' conference at Richardson's Springs last week.

Mr. and Mrs. William Englehart, Sr., wrote that they plan to return home from their Utah visit Sunday.

Byron Johnson of Donner Summit left last week for Colorado where he attended a ski meet at Steamboat Springs. Mr. and Mrs. Johnson plan to remain in Colorado until late spring.

Frank Titus was a San Francisco visitor Tuesday.

Three Boys Are Involved In 2 Vehicle Thefts

14 Year Old Boy Confesses He Had Earlier Scrape With The Law

Ronald Edward Cloffy, 15, Susanville youth, arrested by the highway patrol here on information supplied by the state radio system, was arrested a second time Tuesday by Patrolman Stinton after the boy had escaped from the Placer county probation officer.

Cloffy was taken to Nevada City and later turned over to the Placer authorities after he allegedly admitted stealing a car from the streets in Roseville which he drove to Truckee. Tuesday he escaped and was apprehended near Colfax by Stinton.

Two teen aged boys who gave their names as Larry Johnson, 14 and Grover Noah, 13, both of Sacramento were arrested here last Thursday by Constable N. F. Dolley and turned over to Officer H. B. Fowler of the California Highway Patrol on charges of stealing a car from Sacramento which they abandoned near Hirschdale.

The car was left on the highway by the two boys after it had forced a motorist to run into a snow bank. The man reported the near accident to the patrol here and Fowler investigated. The car was found with the radiator frozen but the boys had disappeared.

Later Constable Dolley apprehended the two youngsters on the main street here and called Fowler to question them. After some time they confessed the theft of the car.

Johnson said he had been in trouble several times previous to his arrest. Sacramento juvenile authorities came to Truckee after the pair.

It was the second time during the year that car, owned by Charles J Fisher of Sacramento, had been stolen.

SCHOOL STUDENTS SPEAK IN CONTEST AT LIONS SESSION

That the young men and women of Truckee earnestly recognize their responsibilities in promoting and maintaining world peace was proved at the student speaker contest given before the Lions Club last night.

The subject: "My Responsibility as a Young American to Lasting World Peace," offered a real chance for the three youthful contestants to show the trend of the teen agers' thoughts and the speakers, Eugene Gini, sophomore; Joan Pabst, junior and Kenneth Snider, senior, earned the high praise and commendation of their adult audience. The judges found it difficult to select winner but finally gave the honor to Joan Pabst, who was outstanding in her presentation.

Frank Gaiennie was the program chairman and arranged for the speakers attendance. Guests included Mrs. Elizabeth Dorr and William Gautsche. C. B. White presided.

Sierra Sun First Paper On Isle In Three Months

Abe Bertolozzi, with his army discharge button, was visiting friends today and will be employed by the state on Donner Summit.

Abe said he was mobbed at his post on Leyte Island when the Sierra Sun arrived for the first time, as the men had not seen a paper for more than three months.

From Kings Beach—

Joe King of Kings Beach was a business visitor here last week.

To City—

Mr. and Mrs. W. F. Wilkie Jr. plan to spend George Washington's birthday here and W. F. Wilkie St. will return to San Francisco with them for a visit.

Discharged—

Clifford Mathes is greeting friends, following his discharge from the service on February 16. He will be employed at the Osburn Associated Station.

Bradshaw Guest—

Herbert Coleman, formerly of the merchant marine, was a guest of Richard Bradshaw last weekend.

$50,000 Is Set Up For Highway Work Down Main Street

Truckee's dream of a new main street stretching from the Tahoe Wye in Gateway Park to the old Hobart Mills railroad intersection east of town, is on the verge of becoming a reality.

Following a meeting of the California Highway Commission in Oakland yesterday, Charles Purcell, director of public works, reported to Gov. Earl Warren's office that the Truckee improvement, long sought and sorely needed, was included in the 1946 highway repair program and that $50,000 has been appropriated for the project.

No Change in Location

It was also reliably stated that the commission has no intention of rerouting the highway through town as many rumors for the past 20 years have indicated.

Under the tentative plans, the present highway will be straightened at both the east and west approaches to the business section, widened to include the 20 foot strip between the present highway and the sidewalk in Truckee and completely resurfaced.

Need Often Cited

The major project resulted from recent requests by the Sierra Sun to the office of Governor Warren, members of the highway commission and Senator J. L. Seawell that the improvement be included in the 1946 highway repair program. The need for the work has been stressed for years by the chamber of commerce and other organizations but this marks the first time that state officials have taken definite steps to make the correction.

A representative of the Department of Public Works has made a survey of the proposed project and indicated at a recent visit that work would be started as soon as weather and other conditions permit. It was not immediately learned if the work will be done under contract or by highway maintenace crews under the direction of Superintendent T. T. Buell, but it is believed the latter will be the case.

TRAFFIC TRIPLE IN FIRST MONTH OF '46 OVER JANUARY 1945

Nearly three times as many cars came into California through the Truckee quarantine station last month as in January, 1945, according to the monthly report by the state department of agriculture.

Truckee last month was in fourth place among the many points of entry with a total of 11,452 vehicles, exclusive of local cars, trucks and buses, with approximately 30,000 passengers. During January last year 4,330 cars entered the state through Truckee with approximately 11,000 passengers.

Last month Truckee was exceeded by Fort Yuma in first place with 27,865 vehicles; Blythe with 27,120 and Yermo with 15,575. A total of 127,829 cars, exclusive of trucks, locals and busses entered California.

WYETHIA TO START MEETINGS AGAIN IN MARCH WITH LUNCH

The Wyethia Club is completing plans for the opening of its new year with a luncheon and program on March 7th. Mrs. Blanche Gage will be president of the club for this year.

Mrs. Gage has arranged a varied and interesting program for the year. The club will continue to work for the various civic projects which are sponsored for the town, and will strive to give the women of the community interesting speakers and programs throughout the year.

The club is open to all women of the community. A membership drive will start soon after the club year gets underway and an opportunity will be given to the new residents of the community to join the club.

Former Truckee Girl Is Mother of Girl on Feb. 9

Mrs. A. E. Burlingham received the announcement of the birth of a daughter to Mr. and Mrs. Paul Keathley at Modesto on February 9. Paula, as the recent arrival has been named, tipped the scales at five pounds.

Mrs. Keathley is the former Margaret Carson and attended local schools while her parents, Mr. and Mrs. Frank Carson were residents of Truckee. Keathley recently received his honorable discharge from the navy.

Mrs. Angelo Besio returned on Saturday from a visit to Sacramento.

TRUCKEE IS IN LINE FOR STRUCTURE IN STATE'S PROGRAM

According to a press dispatch from Sacramento, Truckee is to have a new state motor vehicle department building under the state administration's general program.

This week the state senate passed an assembly appropriation bill providing for $300,000 to acquire sites for 18 cities in California including Truckee and Grass Valley.

At the present time the department of motor vehicles here is occupying a rented office at Truckee Resort, formerly utilized by the border checking station.

Electric Pipe Thawer Is En Route by Express

Truckee homeowners who have had their water pipes frozen during the recent cold weather will be pleased to learn of the announcement by Earl McKay that he is purchasing a late model electric pipe thawer capable of thawing 1000 feet of pipe in 20 minutes. The new apparatus, McKay said, is now en route via air express from the east.

Outing Club Is Reorganized At Session Monday

Winter Sports Emphasized At First Meeting In Four Years

About 35 people were present on Monday night when the Truckee Outing Club held its first meeting since the outbreak of wa over four years ago. The session was held in the pavilion of Truckee Hill Top Lodge and reorganization of the group was the first order of business, followed by a discussion of plans for the coming year.

As one of the nominees for the presidency was absent due to illness, the election for that office was passed over. Robert W. Seibold, one-time secretary of the club, was elected as first vice president and presided over the balance of the meeting. Other officers include Mancel Justice, second vice president; Doug Barrett, secretary-teasurer; and Frank L. Titus, tournament director. Justice will serve as coordinator for the junior members of the club.

A membership drive was discussed and slated to open next week following a second meeting on Monday night at eight at the same place. On the membership committee are Max McGwinn, Vina Clepper, Barrett and Justice.

The club outlined its program for the coming year as follows:

1.— Finance a ski team to represent Truckee in such meets as can be entered.

2.— Re-join and send a delegate to the California Ski Association to obtain sanctioned meets here next season.

3.— Promote and publicize Truckee as a winter sports center.

4.— Support the high school in conducting its interscholastic meet here in March.

5.— Obtain special privileges for members on the Truckee ski grounds.

6.— Develope a class A jump in Truckee.

7.— To conduct moonlight ski parties and other functions to attract skiers to this area.

8.— In non-winter sports seasons, to promote other outdoor recreation in this area including hiking, horse back riding and mountain climbing, as well as hunting and fishing.

Following the meeting, refreshments were enjoyed by all present.

Bridge Club Meets at Home of Mrs. Wilkie

The Truckee Eightsome enjoyed an afternoon of bridge yesterday at the home of Mrs. W. F. Wilkie where delicious refreshments concluded the afternoon's playing. Substitutes for Mesdames B. J. Riordan, H. T. Langille and W. M. Englehart Sr., were Mesdames Sheffield, V. C. Shattuck and R. N. Little.

Stores Will Observe Half Holiday On This Friday

KNOWLAND RAPS LUMBER SHIPMENT DURING SHORTAGE

WASHINGTON, D. C.—Halting the export of American lumber during the "critcal housing shortage" is "the very serious responsibility" of the Truman administration, Sen. William F. Knowland, California Republican charged in the Senate recently.

On another subject, he later told reporters he favored making public the government's policy on the sale of surplus American arms and ammunition abroad. Senator Knowland recentlty returned from an around-the-world inspection tour as a subcommittee member of the Senate's national defense committee.

"The difficult situation facing those who are interested in building homes is aggravated by the fact that for exported lumber the administration has permitted to be charged an excess of $7.50 per thousand feet over the price which the producer can obtain from domestic purchasers Knowland said. He pointed out that "we can hardly blame the lumber producer for selling lumber to foreign purchasers" under those circumstances.

He said the federal government has authorized the exportation of 225 million board feet of lumber during the first quarter of 1946.

Knowland told eporters he was "gathering information" on foreign sale of American arms and ammunition "and may speak on the subject in the Senate."

BLYTHE GROUPS ASK BORDER CHECKS BE SPEEDED IN STATE

BLYTHE— With lines of from 200 to 300 cars awaiting inspection at the quarantine station here daily, an appeal started by local civic interests has been taken up by chambers of commerce all over the state to have the state department of agriculture expedite the entry of easterners coming to California.

The action is necessary to both fulfill the state's obligation to tourists in not inconveniencing them unduly and to insure that inspection will not be made under excess pressure with less likelihood of protecting the state gainst the introduction of new agricultural pests, point out local civic leaders.

$245,394 FOR PLACER ROADS AND BRIDGES IN FISCAL PERIOD

AUBURN— Placer county's highways and bridges program for the current fiscal year calls for the expenditure of $245,394 by the county government alone. This does not include federal funds recently made available by congress.

The program is to be financed with $75,500 from the county's share of gas taxt receipts, $14,500 from motor vehicle fees, $631 from road district taxes, $24,120 fro miscellaneous federal, state and county revenues and $130,643 from cash balances.

Son of Former Governor Aspirant for Senate Seat

Richard Culbert Olson, son of former Gov. Culbert Olson of California became the third candidate for the Democratic nomination for U. S. Senator to succeed the incumbent Republican Senator William Knowland.

Other Democrats in the race are Representative Ellis Patterson, leiutenant governor under Olson's father, and Will Rogers, Jr., son of the late cowboy humorist and a former member of the house of representatives. Rogers was lately discharged from the army.

GASOLINE STOCKS

Gasoline stocks in the United States today stand at more than 3,650,000,000 gallons—an increase of 250,000,000 gallons over a year ago.

NORTHERN SPORTS GROUP OPPOSES RISE IN FISH FEES

YREKA, Siskiyou County, Feb 21—(UP)— Opposition to a proposed $1 increase in resident hunting and fishing license fee was expressed by members of the Klamath River Sportsmen's Association.

Indications that an increase in license fees might be sought has come up in Senate finance committee hearings on a $6,000,000 fish and game farm bill. Proponents of the bill stated an increase might be necessary to finance the upkeep of the expanded program provided for in the bill.

The Klamath River association declared its opposition to the bill "until the state fish and game commission can show that funds now available are being used to the best advantage."

GIBSON LINES Bus for Reno now leaves Loomis at 1:03 P.M.

This change went into effect Saturday, February 16th. Please note it, so that you may not be inconvenienced by it.

At present this service is the only one with which we are allowed to provide you, much as we would like to bring to you our complete transportation to all points we serve in California.

However, until the State Railroad Commission acts favorably upon our application now pending before them, we can only give you service to Verdi and Reno.

Our application for extension of service is vitally important to you, as has been demonstrated in the various other communities we are serving now, so anything you can do to help bring this about is to your advantage to do so.

Heavens to Betsy...wouldn't it be awesome if your water heater quit you cold? Here are four ways, however, to pamper the old dear to keep him happily and faithfully yours for a long time.

1. CUT DOWN ON WASTEFUL USE OF HOT WATER. Think before you draw even a quart or two of hot water. Was it necessary? Make it snappy when you take a shower. Rinse dishes in a pan...NOT under a running faucet. Use less hot water for a tub bath.

2. DRAIN YOUR WATER HEATER REGULARLY. To drain, open the valve on your heater and run water into a bucket until clear of sediment. That's all.

3. KEEP YOUR WATER HEATER CLEAN. Brush off the burner occasionly.

4. DO NOT HEAT WATER TOO HOT! If your water heater has an adjustable thermostat, set it to 120 degress. It will be easier on your plumbing, too. Remember to call your plumber or repair man only when absolutely necessary. They are busy people these days.

Judges were Carl Bechdolt, Jr., Roy Mikkelsen and Dave Gordon of Auburn. Vic Cassidy was announcer.

Jimmie Worden of Taho and Roy Mikkelsen of Auburn opened the slalom courses. Sig Ulland officially opened class A jumping with the longest jump of the day, 114 feet. The hill is short making long jumps impossible.

Carl Bechdolt, Jr. announced winners at a buffet supper held at Lake Inn after the meet.

Roland Mangseth and Bill Bechdolt both skied with leg injuries. Mangseth had a chipped knee bone, his leg having been injured about two months ago. Bechdolt injured his ankle on a practice jump but stayed in the competition.

GARY HENRY FETED BY PARTY ON THIRD BIRTHDAY IN TAHOE

TAHOE CITY— Mrs. Albert Henry of Tahoe City on Monday complimented her little son, who turned three years old on the 18th, with a birthday party at the home of his grandparents, Mr. and Mrs. A. M. Henry of Tahoe City. A beautiful three tiered pink and white birthday cake and ice cream was served as the climax of an afternoon of games and fun. Many lovely gifts were bestowed upon the little honoree.

Present for the occasion were Mrs. Nace Firpo and three children, John, Marie Victoria and Stephanie; Christine and Sharon Bechdolt; Mrs. Walter Mandeville and children, Valerie and Skipper; Doreen and Jerry Quam; Billy and Betty Joy Boorman; Jimmie Goodhue, Mrs. Robert Pomin and children, Ronnie and Duane; Mrs. Roberts and son, Jay; Mrs. Carl Wheat and daughters, Bette and Edna and the honoree, Gary Henry

The family of Bishop Noel Porter, of Tahoe and Sacramento, are awaiting the early arrival of Lieut. Noel E. Porter, USN, from Washington and Lieut. Herman T. Rauh. The latter is married to the former Beverly Noel Porter.

TAHOE LETTER To The Servicemen

From SWANEE

Tahoe City, California.
Feb. 18th, 1946

Dear Tahoeitee:—

Write you this week on Monday morning, as the sun strives hard to break through the overcast sky. We don't look for any storms as the barometetr is still high and the atmosphere outdoors pleasant and warmer. There's still plenty of snow on the ground, with more added last week, and this mrning my fringe of icicles along the eaves of our living room has reacher Herculena proportions. But withal, there is a hint of spring in the air, fostered by the occasional songs of various birds which are not however as plentiful this winter as in other years.

The alk today is all of Tahoe's grand ski tournament yesterday on he hill in town for which we had perfect weather. Radio reports earlier had predicted either showers or snow flurries over the high Sierra, but for once the weatherman was wrong And we were not sorry. Personally I have the reddest face imaginable the result of standing for hours in the sun, and my voice is hoarse from cheering yesterday and talking with dozens of old friends I had not seen for many months. We had a grand crowd, believed to have numbered around 400, or more, and a raft of contestants from many clubs, some last minute entrants. The snow was in good shape, there was plenty to eat and drink thanks to the industrious James Goodhues, and the tow was kept busy. But just before the running of the day's last event, the slalom, the wheel on the rope tow in the ski hut went blewy! and with a loud noise every spoke was torn from the wheel. It had been welded once before and every effort had been made to secure a new one, but since it was not of modern design none could be found. Now the Tahoe club members are hoping the guest who witnessed the accident will send us the axle and wheel he says lies unused in his father's blacksmith shop. It would be most welcome Most of the crowd was already on the hill and there were not many who had to make the trip on foot.

Fortunately too accidents were few and none were serious. Carl Bechdolt Jr. was making his way home on skis when he fell and injured his leg. Jack Starratt went for the toboggan and took him home but he was able that night to walk and stand on the leg once mre. Bill Bechdolt injured his ankle on a practice jump but this did not keep him from entering regular competition just the same. He was rewarded by tying Al Henry in the regular slalom for third place and taking first place in the giant slalom besides taking second in B jumps. Many fell just before and after crossing the finish line but none were injured. Several narrow escapes were witnessed when stary skis went sailing down the hill but all landed harmlessly although one came within inches of going through the loudspeaker box.

Yesterday's meet was a pleasant experience for some of us older fans who have been following ski tournaments for ten and more years. Back in circulation again after their stint in their country's services were Roy Mikkelsen of Auburn, Bill Bechdolt, Al Henry, Harry Digesti, Nick Sassarini, and Angelo Besio.

Old timers who thrilled the crowd with their expertness were Mikkelsen Ted Rex, formerly of Mt. Lassen but unattached in our meet, Sig Ulland who opened the A jumping event with the olngest jump of the day, 11? feet and Max Straubhaar, former Yosemite Club member, who took first in the Auburn meet's A jumping and gint slalom for Tahoe last week. The Tahoe hill is not constructed for distance jumping so no sensational leaps were expected. On hand too was Dave Gordon of Auburn, who for many years has been attending Tahoe meets and assisting as official. He, Mikkelsen and Carl Bechdolt Jr. served as judges yesterday and Vic Cassidy did the announcing over the Truckee American Legion's outfit loaned for the occasion.

Ronald Mangseth of the Auburn Club, I learned last night, won his laurels in yesterday's meet here top place in A jumps, the hard way. Several months ago he chipped a bone in one knee, same having been previously broken, and it has been giving him considerable trouble. But it didn't prevent him from entering competition and taking home top honors in A class for Auburn.

Big surprise of the day was the skiing ability of 13 year old Allen Ramsey of the Reno club who performed with the skill of a veteran and who tied for fourth place in the men's slalom with Richard Weber and Bob Burns. His skiing is sensational, according to competent judges, and within a few years he and brother Bob, who took second place in C jumps and second in the men's regular slalom for the Reno Club, will be providing some real competition for the top flighters. Keston Ramsey, father of the pair, is part owner of the Mt. Rose Bowl so it just could be possible these lads have plenty of opportunity to practice up.

President Kathleen Starratt was most gratified with the marvelous cooperation shown by everyone concerned with the meet and wishes to express heartfelt appreciation to all including the American Legion of Truckee wh made available their broadcasting system; club members and their friends who assisted, the highway department who cleared parking spaces and Mr. and Mrs. Nace Firpo of Lake Inn who threw open the doors of their inn and dining room for one of the grandest parties ever undertaken at Tahoe by any club. Following the conclusion of the meet and announcement of the winners by Carl Bechdolt Jr at Lake Inn, contestants and spectators partook of a buffet supper, highlighted by roast turkey and roast ham, which tasted mighty delicious following hot buttered rums, and the evening was one gala round of dancing and visiting. Music was furnished by Art Rafel of Truckee on Mrs. Bil' Boorman's piano, moved down for the occasion, and the panatrope.

Amng those who enjoyed the evening were Mr. and Mrs. John Burns, Mrs. Keston Ramse and two sons Allen and Bob of Reno, Norma McDonald of Sugar Bowl, Babara Fitch, Lief Hansen, Ronald Mangseth and Roy Mikkelsen of Auburn, Bill Nelson and Norma Anderson of Reno, Ray Zeitz of Auburn, Mssrs. and Mesdaames Floyd Carnell, Fred Rost, A. M. Anderson, Nace Firpo and family, James Goodhue, Walter Mandeville, Dick Little of Truckee, Phil Olander, Waldo Gross, Charles Swanson, Chick Arntzen and son Allen of Tallac, Charles Spaulding, Carl Bechdolt Jr., William Boorman, Stanley Martin, Rex Tollefson, Norman Hughes and son Bob of Rubicon Lodge, Slim Sayre of Meeks Bay, Oscar Quam, Sterling Ralphs of Big Chief, Harry Johanson, and Jim Cline of Sugar Bowl, Stuart Dole of Echo Summit, Kay and Jack Starratt, Vic Cassidy and Mervin Doolittle of Auburn, Sig Ulland of San Leandro, Ray and Sherwood Prusso, Mrs. Dorothy Morhain and daughter Colleen, Mrs. Ed Haugen, Cecil Dempsey, Bill Bechdolt, Howard Carnell, Mr. and Mrs. Leon Dockham and two sons Robert and Clifford, Bill Nelson Mrs. Bill LaMarr, C. W. Vernon and daughter Folrence, Lela Swanson, Mr and Mrs. Floyd Fuson of Sacramento Lincoln Dempsey of Vallejo, John Peterson, H. I. Snider of Truckee, Mr. and Mrs. Carl Wheat and daughters Bette and Edna, Mr. and Mrs James Worden and Mr. and Mrs Albert Henry. My only regret, now that the meet has come and gone is that son Jimmie was not present to participate as in years gone by.

Before returning to their homes on Sunday night the following guests visited at the home of Mrs. Dorothy Morhain and helped devour a delectable roast turkey, french fried potatoes and other goodies: Mr. and Mrs. Chick Arntzen and son Allen of Tallac, Mr. and Mrs. Leon Dockham and sons Robert and Clifford, Mr and Mrs. Charles Swanson, Mr. and Mrs. Waldo Gross, Mr. and Mrs. Charles Spaulding, Mrs. William Boorman, Lincoln Dempsey, John Peterson, Cecil Dempsey and son Pat, and Colleen, Collette and Jimmy Morhain.

Have a card today from the C. A. Tollefsons of Big Chief who are vacationing at Daytona Beach, Florida. They are having wonderful weather and enjoying sight seeting trips by auto in the vicinity.

Had a cheerful not from high school principal Bliss Hinkle, who for the first time in years is enjoying a real rest in their San Francisco apartment. She writes that she can't remember ever having spent a more enjoyable January and February in the bay region, resting and reading. She regretted not having seen son Jimmie when he was home on furlough and had hoped he and Dick could meet either in North Carolina or Virginia, but their son Marine Dick Hinkle is now on the USS Lejeune, a transport stationed for the present off Philadelphia. He will probably be at sea most of the time from now on and his mom is hoping they will stop at San Francisco for a brief visit before taking off for some distant ports. She was glad to read in the Sun about Jimmie Easton and of Ray Prusso being back at Tahoe and sent along her best wishes to them.

Our family had a letter from ex-Tahoeite Fred Hughes of the Sierra Pacific Power Company, now taking things easy at the home of his folks in Denver. He is looking about for something in the line of a job back there and isn't at all sure he will be back to Tahoe for the summer as formerly planned. Sends along hi very best regards to all his old friends in the Truckee-Tahoe area.

Had a very sweet letter from our old friends the Eric Druhns of San Francisco before many more months will be making preparations for returning to the lake for the summer Wish I could tell of the good fortune which as come their way but must wait further developments. They are frequent visitors at the home of Commander and Mrs. George Mawdsley who talk of a vacation in the snow country soon.

Have a nice letter from the Okinawa Kid PFC Donnie Prusso, who finally after a period of exactly six months, has reecived the box containing his little Indian doll mascots and some goodies. Will give more detail next week in the letter.

Mrs. Evelyn Bliss, Tahoe's justice of the peace who is wintering in Auburn, wites this week that the annual 1946 Red Cross fund drive will open on March 1st and continue on through the month. Auburn chapter's quota, of which Tahoe is a branch, is $16,250. With so many years ahead requiring care for the wounded and suffering of the war and the needs of other emergencies, all are requested to give to their capacity for this worthy cause. Mrs. Bliss will very much appreciate having those who summer at Tahoe send in a part of their contribution to her at Auburn, and those conducting businesses at Tahoe and regular residents. Make YOUR check payable to Tahoe Branch, American Red Cross and mail it today.

Leave you for another week and hope good luck, good health and happy futures await you all. May God be with you today and always, as ever, SWANEE

MY PLACE in the SUN

by DOUG BARRETT

Within the past fortnight two very worthwhile community projects have been started rolling in Truckee. The first was the Lions Club kickoff on the vitally needed hospital for this area and the second was the reorganization of Truckee Outing Club. The hospital is a vital necessity here because of the transcontinental highway and the thousands of cars which pass through here annually. Couple this with the normal requirements of a community as large as the Truckee, Tahoe and Donner Summit region and you will realize why we need the hospital. In fact, you will probably be shocked because we don't have one already. The second project, the outing club, is vital in its field to the town. Truckee, without an organized club, is out in the cold as far as winter sports are concerned. We can't get any sanctioned meets until our club is affiliated with the state association and we cannot enter a team in any big meet. This is a sad spot for the pioneer winter sports community of the west and its high time something was done about it. The outing club deserves the backing of every businessman and winter sports enthusiast in the community.

STAN MARTINS HOST CARD PARTIES FOR NEIGHBORS AT LAKE

TAHOE CITY— The home of Mr. and Mrs. Stanley Martin in Tahoe City was recenty the scene of several gay parties. One a Valentine party, was held on Saturday night last week with guests including Mr. and Mrs. Fred Rost, Mr. and Mrs. Leon Dockham, and Mr. and Mrs. Fred Cunningham of Lakewood Lodge, Homewood. Contract bridge occupied the hours pleasantly, with Mrs. Rost holding high score. Tasty refreshments followed.

On Thursday Mrs. Martin entertained her contract bridge club guests including Mrs. Fred Rost, Mrs. Dorothy Johanson, Mrs. Bessie Dockham Mrs. Theodore Schleuter, Mrs. Otis Hursey, Mrs. Almond and Mrs. Fred Cunningham. Mrs. Hursey held high score. Refreshments were served the visitors at the conclusion of the games.

BOORMANS RUN INTO HARD LUCK ON TREK TO VISIT IN THE EAST

TAHOE CITY— Mr. and Mrs. William Boorman and children, Betty Joy and Billie, returned recently from a motor trip which consumed more than three weeks time. Their jaunt was intended as a pleasure trip and vacation but from the very start bad luck descended upon them.

Getting no further than Reno, they had something break and had to wait over until the next day to get it fixed. From there on it was a succession of blizzards, ranging from 18 to 25 below zero, driving through highways covered with two feet of flood waters, bucking wind and snow and sleet and rain. During their trip they replaced almost the complete engine under the hood; two new generators; blowouts. Once a wheel rolled off the car and went sailing by as they drove around 60 miles an hour. That time Boorman sprained his wrist in his almost suprehuman effort to keep the car upright. He finally brought it to a stop on the shoulder of the highway without mishap. A new tire replaced the old one and they drove on—all of three miles when it blew out! For miles they drove without brakes or lights but luckily escaped tragedy.

They did manage to reach the homes of the relatives they went to seen including her mother and dad Mr. and Mrs. Joseph Halladay of Bertha, Minn.; her sister, Mrs. G. G. Peet of Palisade, Colo.; the John Gottschammers of Des Moines, Iowa; his mother and dad Mr. and Mrs. R. R. Boorman of St. Paul, Minn., and his sister Mrs. William Drisko of Minneapolis.

As storms, floods, gales, subzero weather and rains continued they decided to make for home and even though thy encountered wrecks all along the highway they drove from Tuesday until Friday without sleep arriving at Tahoe dog-tired but happy to be bck in God's country. They are not planning another eastern tour in a hurry, either.

VERNON JAUNT IS HIGHLIGHTED BY TRIP TO BIG CAVES

TAHOE CITY— The C. W. Vernons terminated a vacation of nearly three weeks on Feb. 6th by returning to their home in Bittencourt Tarct in Tahoe City. Their motoring vacation trip took them through Nevada, New Mexico, Arizona and Texas, the highlight of their journey being their visit to the Carlsbad Caverns where they took pictures and spent hours exploring its beautiful and unusual depths. Clarence came home with a cold and Ethel with a sore throat, but the cold weather they encountered did not detract from the pleasure of the jaunt. Accomodations were difficult to locate, but they soon learned by stopping late in the afternoon instead of early in the evening, they had btter lunck. They found some butter in most states but plenty in New Mexico, although no one could explain the reason.

Following their return they left again for a four-day visit with friends in Auburn, Marysville and Clarksville, where they were the guests of Mr. and Mrs. Bob Watson at their home.

Crandall's Resort Sold at Tahoe Park, Says Report

AUBURN— Official notice of the sale of Crandall's in Tahoe Park was given this week by Mr. and Mrs. Paul Crandall of Tahoe and Napa.

The date of transfer of the property was given as February 26 and the new owners of the popular resort will be Mr. and Mrs. George W. Mortimer and Mr. and Mrs. Ralph W. Sturgis, all of Tahoe Park. The sale includes a general store, restaurant, service station, resort cabins and all fixtures and merchandise.

TAHOE MEN VISIT SKI MEET SCENE AT SPOONER HILL

TAHOE CITY— On Monday Max Straubhaar, Harry Johanson, Carl Bechdolt Jr., Bob Pomin, Jim Goodhue and Jack Starratt motored to Spooner' Summit to view the new ski jump being erected for the Douglas county championship ski meet on Feb. 23 which could not be held at Genoa as originally planned due to lack of snow. The boys reported the hill will suffice but they do not believe any record leaps will be made on it.

While there, Constable Johanson met and talked with the two renowned Norwegian skiers, top ranking in their own country, Bjorn Lee and Einar Skinnarland. Famous in internation competition, Einar has a 200 foot leap to his credit made at a tournament at Lake Placid. Former underground members, they are entering training here and helping with the building of the hill.

ASSOCIATED OIL HAS FOOTBALL FILMS TO SHOW AT MEETINGS

E. V. Black, Sacramento district manager for Tide Water Associated Oil Company, anounced that his firm now has available for showing four outstanding 16mm color and sound films of 1945 Pacific Coast football games. The prints of games available are the 48 to 25 Fleet City Blueacket-El Toro Marine game, the contset in which the sensational "Buddy" Young ran for touchdowns of 97, 83 and 28 yards; Fleet City-St. Mary's Pre-Flight; Fleet City-Navy Pearl Harbor All Stars, a film that shows a great number of All Americans in action; and the film release "Football Thrills of 1945", showing top games of the nation last season, including the action of Army's greats, Felix Blanchard and Glenn Davis.

These free mvies are ideal for luncheon clubs, schools churches, or any group gathering. Interested parties desiring to show these movies can contact the Associated office or representative in their locale. Movies on a variety of other subjects are also available at no cost.

Gas Tax Receipts Up Over Previous Year

SACRAMENTO, Feb. 21 —(U.P.)— California's motorists and truckers paid in $59,840,947 in gasoline taxes during 1945, it was announced by George R. Reilley, member of the state board of equalization, who said it represented a 19 per cent gain over 1944 collections.

Reilly made the announcement following the completion of the December assessment of California oil companies, which he reported as amounting to $5,897,451 an increase of 28 per cent over the December 1944 figure.

Taxes on diesel oil for the year totaled $1,754,855. The December figure was $149,939 or a gain of 15 per cent over the corresponding month in 1944.

All But One of Placer Officers to Run in '46

AUBURN— A survey of Placer county officers last week revealed that all except Superintendent of Schools Elwyn Gregory will be candidates for reelection in the June 4 primary. The list includes Supervisors Jerry Shelley and John Boyington, Sheriff Edgar Kenison, Coroner Francis West, District Attorney Clarence E. Tindall, Treasurer Sam B. Dunton, Auditor William Stephens, Tax Collector Lou Mohan, Recorder Clayton Goodpastor, Cunty Clerk Lillian Rechenmacher and Assessor Guy Lukens.

BIBLE TRUTHS

Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool.—Isa. 1:18.

If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness.—I John 1:9.

For God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. —St. John 3:16-17.

For God sent not his Son into the world to condemn the world; but that the world through him might be saved.

Search me, O God, and know my heart: try me and know my thoughts: and see if there be any wicked way in me and lead me in the way everlasting.—Ps. 139:23,24.

Huge Resort Project Is Planned in Salton Sea

BRAWLEY— Approval has been given by an Imperial county committee and the Imperial Irrigation District for the development of a $50,000,000 resort at Salton Sea. Plans call for hotels, homesites, an airstrip, hunting lodges and a man-made island in te center of the 15 by 35 mile lake, located in the heart of the desert.

Need for Beer Speeds Action in Assembly

SACRAMENTO, Feb. 21 —(U.P.)— The assembly had proved today that when it hears the voice of authority it can, on occasion, respond to it.

During a lengthy debate as to whether a section of the alcoholic beverages code relating to the marketing and distrubuting of beer should be amended, Fred H. Kraft, R., San Diego, took the floor.

"As an authority on beer drinking," he said "I know that the longer we stay here talking the farther away I am from a cold bottle of beer. I move th previous question."

It made sense to his fellow assemblymen. They ended the debate.

IT PAYS TO ADVERTISE

Political Announcement

TO THE PEOPLE OF NEVADA COUNTY:

Hon. George L. Jones has publicly announced that he is about to retire as Judge of the Superior Court of our county. At this time I am announcing myself as a candidate to succeed Judge Jones to that honorable position. The office of Superior Judge is undoubtedly the most important county office. It requires a profound knowledge of the law as well as of the application of the law in practice before the courts, and a discriminating sense of justice on the part of the aspirant.

My training and experience in practicing for more than thirty-five years in State and Federal Courts of California and Nevada tend to substantiate my claim that I possess the necessary qualifications.

Respectfully,
JAMES SNELL.
